

City of Kingsland Georgia

CELEBRATES

2018 Georgia Cities Week

SATURDAY APRIL 21, 2018 - DOWNTOWN KINGSLAND

Register Now for the Annual Kingsland

“Georgia’s Cities Week” Touch-A-Truck Event

Remember as a child the awe you held for those larger-than-life machines, as they ran down your streets? Like a fire truck racing to stop a fire or a cool dump truck hailing a load of dirt?

On Saturday, April 21, 2018, in Downtown Kingsland, your organization could be a part of a great event that will allow kids & adults to get up close and personal to all sorts of vehicles.

A Touch-A-Truck Event gives everyone a chance to fulfill those childhood curiosities while learning and interacting with the organizations. Kids and adults can not only interact with the truck, but also meet the “heroes” that drive and operate these vehicles. Kids will enjoy listening to the sirens, pressing the buttons or watching the tractor bucket move. Take the time to teach them the safety of these vehicles through fun and interactive games.

Please consider bringing your vehicle, piece of machinery, boat, cop car, fire truck or any other safety or educational vehicle to this event. Everyone will be ready to Touch-A-Truck, so will you be there and ready to greet them? You don’t want to miss this fun and educational opportunity to reach families throughout Camden County! Sign up today!!
